

A misty forest path with large trees and fallen leaves. The path is covered in fallen yellow and orange leaves, and the trees are tall and thin, creating a sense of depth and atmosphere. The lighting is soft and diffused, typical of a misty day.

Large Parks in Large Cities

Program

2 – 4 (5) SEPTEMBER 2015

Swedish Museum of Natural History

Stockholm

Practical information

Program

This program holds the general program and the session planning. A separate brochure contains all the abstracts.

Map

Map of the conference venue at the Swedish Museum of Natural History is found at the last page of this program.

Museum personell

Päivi Nordvall and Anna Sundberg +46851955127

Conference hosts

There are nine conference hosts that will help you. They wear a blue-yellow ribbon. Don't hesitate to ask them. Jenny Sonesson can be reached at +46763058603.

Registration

Registration will go on all three days. At 08 45 on 2nd of September you must all take your seats in the auditorium for plenary sessions. Registration is handled by Per Sterner +46705233130, Behgol Alinia +468162328 and Ami Hedblad +468161959

Lunch

Lunch will be served on the ground floor – the Linné room, to the left of the entrance.

Poster session

Poster session is in the room where lunch is served – the Linné room.

Reception at the City Hall of Stockholm

Please note that only those with cards of invitation can go – and that busses will leave 6 15 PM sharp the first day from outside the main entrance of the museum. No particular dress code. If you go to the City Hall on your own you must be there 6 45 PM at the entrance at the bottom of the tower.

Network discussion

The discussion on whether a network for large parks should be organized will take place in a room that will be announced at the buffet dinner, depending on the number of participants. Contact Richard Murray (+46768016897) if you want to participate.

Guided tours Saturday 5th of September

Start and end at Grand hotel, Södra Blasieholmshamnen 8, nearest subway station Kungsträdgården.

Bird watching 5th of September

Contact Henrik Waldenström (+46705367314) for information about where to meet. If you haven't registered participation, but want to join these events contact conference registration.

Documentation

All sessions will be recorded by video cameras.

Wifi

The network is **2-4-9**. You log on with password **naturhistoriska**

Day 1 (Wednesday 2 Sept)

08 00 AM

Registration

Registration will take place at the Museum of Natural History. Registration will be open all day and also the following mornings.

Poster exhibition

Poster exhibition will be open throughout the conference and there will be special poster sessions day 2 and 3.

09 00 AM

Plenary session 1

Welcome to The Swedish Natural History Museum

Jan-Olof Westerberg, CEO Swedish Natural History Museum

Why are we here? Opening of the conference

Håkan Wirtén, Secretary General WWF Sweden
Richard Murray, Ekopark Association

09 30 AM

The Royal national city park

Henrik Waldenström, WWF Sweden and Lars Nyberg, County Administrative Board of Stockholm

10 15 AM

Key-note

Historical perspectives on parks and green space in towns

Peter Clark, Helsinki University, Finland

11 00 AM

Break

11 15 AM

Key-note

Large parks: trending now

Julia Czerniak, Syracuse University, USA

12 00 AM	<p>Lunch Lunch is served in the Linné room</p>
01 15 PM	<p>Parallel session 1 Visions of large parks in large Cities: historic perspectives and visions for the future Introduction & Moderator: Ulf Sporrang, Royal Swedish Academy of Letters, History and Antiquities: Landscape and landscape history – a part of the Royal National City Park in Stockholm Presentation of 4-5 papers. Discussion topics: Have large parks come about by mere chance or have there been visions of large parks and urban green in the past? What have been their roots? What role for the historic landscape? And looking ahead: is anyone forming visions about large parks in large cities today? On what grounds?</p> <hr/> <p>Parallel session 2 Large parks I Presentations of 4-5 specific parks:</p> <ul style="list-style-type: none"> • Overview, position, area, landscape, nature, usage • Biodiversity, cultural and recreational values • Legal status • Administration • History, relation to landscape • Threats, future <p>Moderator: Lennart Tonell, Stockholm University</p>
03 30 PM	<p>Coffee and refreshments</p>
04 00 PM	<p>Parallel session 3 Quality of life in the city: What role for green structures and large parks? Introduction: Cecilia Herzog Pontifícia Universidade Católica of Rio de Janeiro, Brazil, Use of large parks in large cities Presentation of 4-5 papers. Discussion topics: To what extent are parks, pocket parks and large parks, natural</p>

04 00 PM	<p>habitats and even single trees important for the quality of life in the large city? Greenery is connected to health but what about personal security – is there a conflict? What role does urban green structures have to further social integration, or do they work in the opposite direction? To what extent do large parks add to cities attractiveness and economic performance?</p> <p>Moderator: Peter Schantz, Swedish School of Sport and Health Sciences</p>
06 15 PM	<p>Parallel session 4 Large parks II Presentations of 4-5 specific parks:</p> <ul style="list-style-type: none"> • Overview, position, area, landscape, nature, usage • Biodiversity, cultural and recreational values • Legal status • Administration • History, relation to landscape • Threats, future <p>Moderator: Richard Murray, Ekoparken Association</p>
06 15 PM	<p>Bus departures to the Stockholm City Hall</p>
07 00 PM	<p>Stockholm City Hall Reception at Stockholm City Hall Welcome Eva-Louise Erlandsson Slorach, Lord Mayor Katarina Luhr, Vice Mayor, Environment</p>

Day 2 (Thursday 3 Sept)

09 00 AM **Plenary session 2**
Key-note
 Ecosystem services in large cities

 Thomas Elmqvist, Stockholm University

09 45 AM **Poster session 1**
 Coffee and refreshments will be served during the session

10 45 AM **Parallel session 5**
 Large parks and ecosystem services in large cities
 Introduction & Moderator: Thomas Elmqvist, Value of ecosystem services
 Presentation of 4-5 papers
 Are there specific ecosystem services from large parks in large cities? What ecosystem services are especially valuable? Do large parks in large cities affect the urban foot-print? What aspects of large parks are especially important?

Parallel session 6
 Large parks III
 Presentations of 4-5 specific parks:

- Overview, position, area, landscape, nature, usage
- Biodiversity, cultural and recreational values
- Legal status
- Administration
- History, relation to landscape
- Threats, future

Moderator: Maria Ignatieva, Swedish University of Agriculture

01 00 PM **Lunch**
 Lunch is served in the Linné room

Plenary session 3
 Round table discussion
 LARGE PARKS IN LARGE CITIES – A MODERN CITY PLANNING PROJECT:
 from Central Park to Medellin, Dublin, Staten Island...
02 15 PM What arguments have shaped large parks in large cities in the past? What is the standing of large parks in city planning today? What is the role of the European landscape convention in city planning? What is their legal protection? Are they backed by appreciating and active citizens?
 Participants: Peter Clark, Helsinki university, Finland, Torsten Wilke, City of Leipzig, Germany, Maria Ignatieva, Swedish University of Agricultural Sciences, Julia Czerniak, Syracuse university, USA, Catharina Nolin, Stockholm University, Graham Fairclough, Newcastle University, United Kingdom

 Moderator: Thorbjörn Andersson, Swedish University of Agricultural Sciences

03 30 PM **Coffee and refreshments**

Parallel session 7
 City planning and design of large parks
 Introduction: Maria Ignatieva, Swedish University of Agricultural Sciences, Design of large parks
 Presentations of 4-5 papers.
04 00 PM Discussion topics:
 What roles for parks –large and small – and urban greenery in building sustainable cities? How does city planning handle large parks and urban ecology? What is the role of landscape considerations in city planning? Does urban greenery add to undesirable sprawl?

 Moderator: Anna Steidle, World Urban Parks, Germany

Day 2 (Thursday 3 Sept)

04 00 PM	<p>Parallel session 8 Large parks IV Presentations of 4-5 specific parks:</p> <ul style="list-style-type: none"> • Overview, position, area, landscape, nature, usage • Biodiversity, cultural and recreational values • Legal status • Administration • History, relation to landscape • Threats, future <p>Moderator: Catharina Nolin, Stockholm University</p>
06 15 PM	<p>Buffet dinner Buffet dinner is served in the hall outside the auditorium. Free evening in the Royal national city park or in town.</p>
07 15 PM	<p>Network for large parks? Meeting for participants interested in starting up a world-wide network for large parks</p>

Day 3 (Friday 4 Sept)

Day 3 (Friday 4 Sept)	
09 00 AM	<p>Plenary session 4 Key-note Florence and Faro – the relevance of two conventions for life in major cities Graham Fairclough, Newcastle University, United Kingdom</p>
09 45 AM	<p>Poster session 2 Coffee and refreshments will be served during the session</p>

10 45 AM

Parallel session 9

COP 2015, Nagoya, Landscape convention, EU Green infrastructure – where does this take large parks in large cities?
Introduction: Urban Emanuelsson/ Margereta Ihse, The interaction of history and biology in forming many of our big urban parks

Presentation of 4-5 papers

Discussion topics:

What would it mean if conventions were taken seriously? What institutions help uphold the conventions? Are social and economic forces working in favour or against? Are cities menaces to biodiversity, the historic landscape, the climate or a help?

Moderator: Margereta Ihse, Stockholm university

Parallel session 10

Large Parks V

Presentations of 4-5 specific parks:

- Overview, position, area, landscape, nature, usage
- Biodiversity, cultural and recreational values
- Legal status
- Administration
- History, relation to landscape
- Threats, future

Moderator: Ulrika Egerö, Urban planner/ Ecologist, Stockholm City

01 00 PM

Lunch

Lunch is served in the Linné room

02 15 PM

Plenary session 5

Round table discussion

FUTURE OF LARGE PARKS

Where do we go from here? Are large parks doomed to be exploited in the global rush to cities? How to increase public awareness? Do we need international cooperation?

Participants: Teresa Pastor, Fedenatur, Barcelona, Spain, Barbara Szulczewska, Warsaw University of Life Science, Poland, Frank Bothman, Ruhr Regional Organization, Germany, Cecilia Herzog, Pontificia Universidade Católica, Brasil

Moderator: Johanna Sandahl, Swedish Society for Nature Conservation

Day 3 (Friday 4 Sept)

Papers and Parks presented at workshop sessions

Session 1 Sept 2 01:15 PM

Visions of large parks in large Cities: historic perspectives and visions for the future
Introduction: Ulf Sporrong, Landscape and landscape History Around Lake Brunnsviken – A part of the Royal National City Park in Stockholm

- Anna Maria Insulander, The Future of Large City Parks
- Fatma Aşilioğlu, Urban parks of the European capital cities
- Åsa Ahrland, Royal parks in large cities – green lungs in the modern urban environment
- Christine Haaland, Challenges and strategies for urban green-space planning in cities undergoing densification: a review

Moderator: Ulf Sporrong, Academy of Letters and Antiquities

Session 2 Sept 2 01:15 PM

- Large parks I
- Beata Fortuna-Antoszkiewicz and Jan Łukasziewicz, Silesia Park, Poland
 - Teresa Pastor, Collserola Natural Park, Barcelona, Spain
 - Sanaz Shobeiri, The relationship between human beings and nature in an urban context, Teheran parks, Iran
 - Toporina Valentina, English and French parks in Moscow: favourite resort places of city dwellers

Moderator: Lennart Tonell, Stockholm University

Day 3 (Friday 4 Sept)

03 30 PM	Short break
03 45 PM	<p>Key-note Science of Cities: Urban Ecology and Larger Parks</p> <p>Richard Forman, Harvard university, USA</p> <p>Farewell We'll meet again</p> <p>Richard Murray, Ekopark Association Henrik Waldenström, WWF Sweden</p>
05 00 PM	End of Conference

Day 4 (Saturday 5 Sept)

Day 4 (Saturday 5 Sept)

07 00 AM (ca 2 hrs)	<p>Bird-watching in Royal national city park Starts at Isbladskärret</p> <p>Guide: Henrik Waldenström, WWF Sweden</p>
10 00 AM (ca 3 hrs)	<p>Sightseeing: two options Tours start and end at Grand Hotel</p> <ul style="list-style-type: none"> • Royal national city park, part of the green/blue city scape of Stockholm • Green/blue structures in Stockholm town planning from Medieval Ages to present day

Session 3**Sept 2 04:00 PM**

Quality of life in the city: What role for green structures and large parks?

Introduction: Cecilia Herzog, Use of large parks in large cities

- Enrico Durbano, Visitor monitoring in peri-urban large parks area: concrete applications of visitor's estimation in different countries
- Richard Wolfstrom, Bringing meaning to place through community engagement
- Sofia Cele, Rethinking the urban green as a social space: the importance of people-plant relations for cultural meaning and identity.
- Sophie Rochefort, Arthropod biodiversity in urban parks: an underestimated richness?

Moderator: Peter Schantz, Swedish School of Sport and Health Sciences

Session 4**Sept 2 04:00 PM**

Large parks II

- Patricia M. O'Donnell, Pittsburgh Parks Renaissance through Non-Profit Stewardship, USA
- Kyoumars Habibi, Laleh Park, Teheran, Iran
- R.Duygu ÇAY, Urban green spaces of Ankara, from past to present, Turkey
- Maria Ignatieva, Pavlovsky Park, St. Petersburg, Russia

Moderator: Richard Murray, Ekoparken Association, Sweden

Session 5**Sept 3 10:45 AM**

Large parks and ecosystem services in large cities

Introduction: Thomas Elmqvist, Value of ecosystem services

- Barbara Szulczewska, What we can expect from large parks in Warsaw?
- Ingrid Sarlöv Herlin Enriching large parks by grazing animals. Nature-Culture values , typologies of grazed parks and conflicting interests.

- Vânău Gabriel Ovidiu, The role of Bucharest large parks in mitigating the Urban Heat Island effect
- Anders Telenius, Littlest beast in marsh and meadow ...?
- Ulla Mörtberg, Large urban parks and biodiversity – the case of the National Urban Park of Stockholm

Moderator: Thomas Elmqvist, Stockholm University

Session 6**Sept 3 10:45 AM**

large parks III

- Hoosmand Alizadeh, Deedgah park in Sanandaj, Iran
- Torsten Wilke, The green backbone of Leipzig, Germany
- Mateja Smid Hribar, Tivoli Roznik and Siska Hill, Ljubljana, Slovenia
- Dmitry Kavtaradze, Losinij Ostrov National park in Moscow

Moderator: Maria Ignatieva, Swedish University of Agricultural Sciences

Session 7**Sept 3 04:00 PM**

City planning and design of large parks

Introduction: Maria Ignatieva, Design of large parks

- Ole Caspersen, A large park in the Urban fringe of Copenhagen, Denmark
- Carmela Canzonieri, Green Lung in Mexico City. A vision for a Large City Park in soon to be dismissed airport lands
- Marlies Brinkhuijsen, Learning by doing; the creation of new large parks in the Netherlands
- Jan Łukaszkiwicz and Beata Fortuna-Antoszkiewicz - Silesia Park the status of natural resources after 60 years of existence
- Elena Zaykova, Transformation of Moscow park spaces: from city recreation to landscape identity

Moderator: Anna Steidle, World Urban Parks

Session 8**Sept 3 04:00 PM**

Large parks IV

- Jan Heeren, Amsterdamse Bos, The Netherlands
- Mohsen Ghyasenia, Jamshidieh Park (or Jamshidieh Stone Garden), Tehran, Iran
- Peter Verdyck, Rivierenhof, Antwerp, Belgium
- Margret Gormley, Phoenix Park, Dublin, Ireland

Moderator: Catharina Nolin, Stockholm University

Session 9**Sept 4 10:45 AM**

COP 2015, Nagoya, Landscape convention, EU Green infrastructure

– where does this take large parks in large cities?

Introduction: Urban Emanuelsson/ Margereta Ihse, The interaction of history and biology in forming many of our big urban parks

- Klara Tullback Rosenström, A Regional Biotope Database for smart planning
- Helle Skånes, Novel biotope mapping with combined methods - setting parks and urban green structure in a landscape context.
- Magnus Tuvendal and Mattias Bovin, Stockholm City National Park - a source for sustaining regional broad-leaved deciduous forests.
- Per Hallén, The Green Part of Town, Gothenburg

Moderator: Margareta Ihse, Stockholm University

Session 10**Sept 4 10:45 AM**

Large parks V

- Mel McGregor, Karawatha Forest reserve, Queensland, Australia
- Benoit Fondu, Patte d'Oie forest reserve, Brazzaville, Kongo
- Adam van Nieuwenhuizen, Parque Rio Chieve, Beira, Mozambique
- Frank Bothmann, Emscher Landschaftspark, Ruhr, Germany
- Mary E Worrall and Sari Suomalainen, Birkenhead Park, Wirral, England

Moderator: Ulrika Egerö, Urban planner/ecologist, City of Stockholm

Posters

- Ulrika Hamrén Kyrkparken, Järfälla, Sweden
- Saeed Khezri, HawaraBarza Park, West Iran
- Jeet Mistry, Significance of Green Urban Infrastructure for Sustainable Urban Development
- Veli Ortacesme, Multi-functionality of Large Urban Parks: Atatürk Culture Park in Antalya, Turkey
- Sreetheran Maruthaveeran, Fear of crime in urban parks of Malaysia
- Anna Steidle, World Urban Parks
- Anna Steidle, World Parks Academy
- Beata Fortuna-Antoszkiewicz, Jan Łukaszkiwicz, Piotr Wiśniewski, Silesia Park (The Voivodship Park Of Culture And Recreation) in Chorzów / Poland - the status after 60 years of existence. Transformation processes of park vegetation
- Beata Fortuna-Antoszkiewicz, Jan Łukaszkiwicz, Piotr Wiśniewski, Silesia Park (The Voivodship Park of Culture and Recreation) in Chorzów / Poland - presentation of the contemporary condition
- Peter Verdyck, Rivierenhof park, Antwerp, Belgium
- Derek Roozen, Hagley Park and the Christchurch Botanic Gardens, New Zealand
